

## Drug and Alcohol Screening

### *Chances for Change Program*

Throughout the Chances for Change program, you will undergo two drug screens; one upon entry assessment and the second to be random between the second and ninth weeks. In order to graduate from the program and receive the *Letter of Completion*, you must pass the second screen.

The ten (10) panel screen will test for the following:

- Amphetamines
- Cocaine Metabolites
- Opiates
- Phencyclidine (PCP)
- THC (Marijuana) Metabolite
- Barbiturates
- Benzodiazepines
- Methadone
- Propoxyphene
- Methaqualone
